EXPERIENCE

04/2017 - PRESENT

founder & designer

TORONTO, ON

PURIPALETTE

- Launched and grew small business from concept to market, designing and selling original accessories, home décor, and apparel across online and in-person channels; earned \$9,500 in sales and feature recognition from University of Waterloo
- Designed product prototypes and crowdfunding campaign assets, using Procreate, Affinity Designer, and Figma, which align with customer preferences and funding goals

01/2022 - 04/2022

security developer

TORONTO, ON

ECOBEE

- Implemented automated code-scanning solution to detect and prevent insecure commits, streamlining developer workflows and reducing post-deployment fixes
- Led company-wide review process with multiple development teams to align on code quality standards and resolve high-priority vulnerabilities

05/2021 - 08/2021

information security analyst

WATERLOO, ON

GORE MUTUAL INSURANCE

- Developed internal automation tools and interactive, automated PowerBI dashboard to streamline off-boarding review workflows for compliance teams and give executives real-time visibility into key metrics; reduced provisioning delays by 80% and improved decision-making speed

09/2020 - 12/2020

information security analyst

TORONTO, ON

SUN LIFE FINANCIAL

- Managed high-volume account access reviews and liaised with senior leadership to validate high-privilege accounts, ensuring audit readiness and reduced operational risk

01/2020 - 04/2020

business analyst

TORONTO, ON

SUN LIFE FINANCIAL

- Led rollout of new digital certificate management tool, coordinating cross-functional teams; oversaw lifecycle of 500+ certificates to ensure smooth transition

05/2019 - 08/2019

junior developer

TORONTO, ON

AMGINE

- Crafted intuitive graphical interfaces for internal tools using HTML, CSS, Bootstrap, and TypeScript, improving usability and adoption among engineering teams
